Enclosed herewith for Newark, for information, is an envelope postmarked October 5, 1956, at Union, New Jersey, bearing the return address, P.O. Box 927, Union, New Jersey, and addressed to [redacted]

This letter was received by WFO on October 8, 1956.

It is noted the contents of this piece of mail are similar to that which was received previously from ALEXEY JEFIMOW, P.O. Box 927, Union, New Jersey, and which was forwarded to Chicago as an enclosure with WFO letter dated 9/17/56. Instant letter enclosed for Newark contains additional anti-Jewish propaganda.

It would appear from the manner in which the envelope was addressed that the sender has included this name and address on his mailing list, and it is expected that additional material of this nature will continue to be received from JEFIMOW. If such is the case, WFO will destroy same unless Newark has additional interest.

Because considerable time has elapsed since the ad was placed in the newspaper, "Novoye Russkoye Slovo" by the New York Office, and results thus far have been negative with regard to identifying the author of the anonymous letter in this case, it would appear that no good purpose would be served by continuing this case in a pending status at WFO. THE SECRET GOVERNMENT OF THE SOVIET UNION

(Translated from the Russian - written by a man who lived
25 years under Communism.)

The Communist Party of the Soviet Union which rules over the entire population of approximately 120,000,000 people (est.) consists of 5½ million members. The ruling class, or top level, overseers, consists of approximately 3½ million members. The other 2 million members of the Party are young Communists, or Commsomols, who do the most spying, and work for the Party among the Gentile population. The "Chosen People" have fixed the number of members in the Secret Government so as to guarantee constant vigilance and militant control over the country. To allow the party to grow larger would mean to jeopardize the control of the super-capitalists and the possibility of a weakness in administration.

The two million young Communists who are more or less trainees are under constant supervision to determine whether they will graduate into a full fledged Communist ruler. Their training consists of a thorough education against Jesus Christ and His teachings, hatred for all gentiles who believe in one supernatural God, and a course in determining when a person is capable of thinking for himself. Under the supervision of their elders, the young Communists report to their Jewish masters on all infractions of regular Communist regulations. When a young Communist qualifies himself by killing Gentiles who are enemies of the state, etc., he is in line for a higher position. However, if he is one who does too much thinking for himself, then he is, in turn, under surveillance by his brother students and Jewish masters.

Of the 3½ million top level Communist rulers in the Soviet Union, 50% are Jewish and 50% Gentiles, many of whom had formerly been in the penal institutions under the Czar for murder, rape, arson, robbery, etc. The latter spend some of their time in quasi-official positions executing the orders of their Jewish masters and the rest of the time spying on each other. Whereas, the former spend all of their time ruling over the entire administration of the Gentile population of the Soviet Union. There is no distrust among each other and absolutely no spying for they are the "Chosen people" who alone have the right to live free, according to their Talmud. In short, the 50% Jewish faction make up the Invisible Government of the Soviet Union. The Visible Government is the 50% Gentile faction that the people see as the Russian Government.

Because of the Iron Curtain, the people in America naturally do not know what transpires in the Soviet Union. For those who are interested, there is always civil war liquidations, arrests, raids, etc. However, about every four or five years there is a mass purge of the Gentile faction of the Communist party along with certain sections of the Gentile population in general. Sometimes the Jewish war-lords of the Soviet Union have some grounds for their purges because of certain information, although most of the time it is done to insure the continual success of the Communist Party. If certain sections of the Party are not killing the required number of Gentiles and making the estimated number of arrests, then that section of the Party is liquidated and replaced.

SECRET BOARD

The Soviet Union is broken up into districts as another means of keeping the Gentile population under the vigilant eyes of their Jewish masters. In each and every one of these districts there is a headquarters known as the Secret Board. The location is often in the local synagogue and the members of the Secret Board all are Jewish. Into the Secret Board comes all reports and complaints on the people living within the jurisdiction of this board. Everyone from the age of 16 years has a folder in the files of the respective board and when the reports come in, their folder is

picked out and a notation made accordingly. Notes are made here on the thinking ability of the individual, his character, ability to work for the state, family relations, statements made to others and general information. When the purges came around ever so often these files supply the Party with the names of those to be liquidated. If one should do an act which is classified as a crime, then he or she is immediately sent to a concentration camp or executed according to the seriousness of the so-called crime.

CRIMES IN THE SOVIET UNION.

In the Soviet Union what constitutes a crime would be considered in America as an ordinary legitimate act. For instance, if one should be working with his "own" horse and it should break its leg, it is a crime; if a machine should break down while in operation, it is a crime; if one should show up late for work or take the day off because of sickness, it is a crime; if one should be caught with a bible, it is a crime; if one should know of a person who talks against the state and does not report him, even if it is a close relative, it is a crime. In other words, many things one does in the Soviet Union constitutes a crime. Special courts are set up to take care of the many cases being presented daily. The verdicts run from six months in a concentration camp to execution according to the degree of the crime. Every year new acts of the people are classified as crimes.

HOME LIFE IN THE SOVIET UNION.

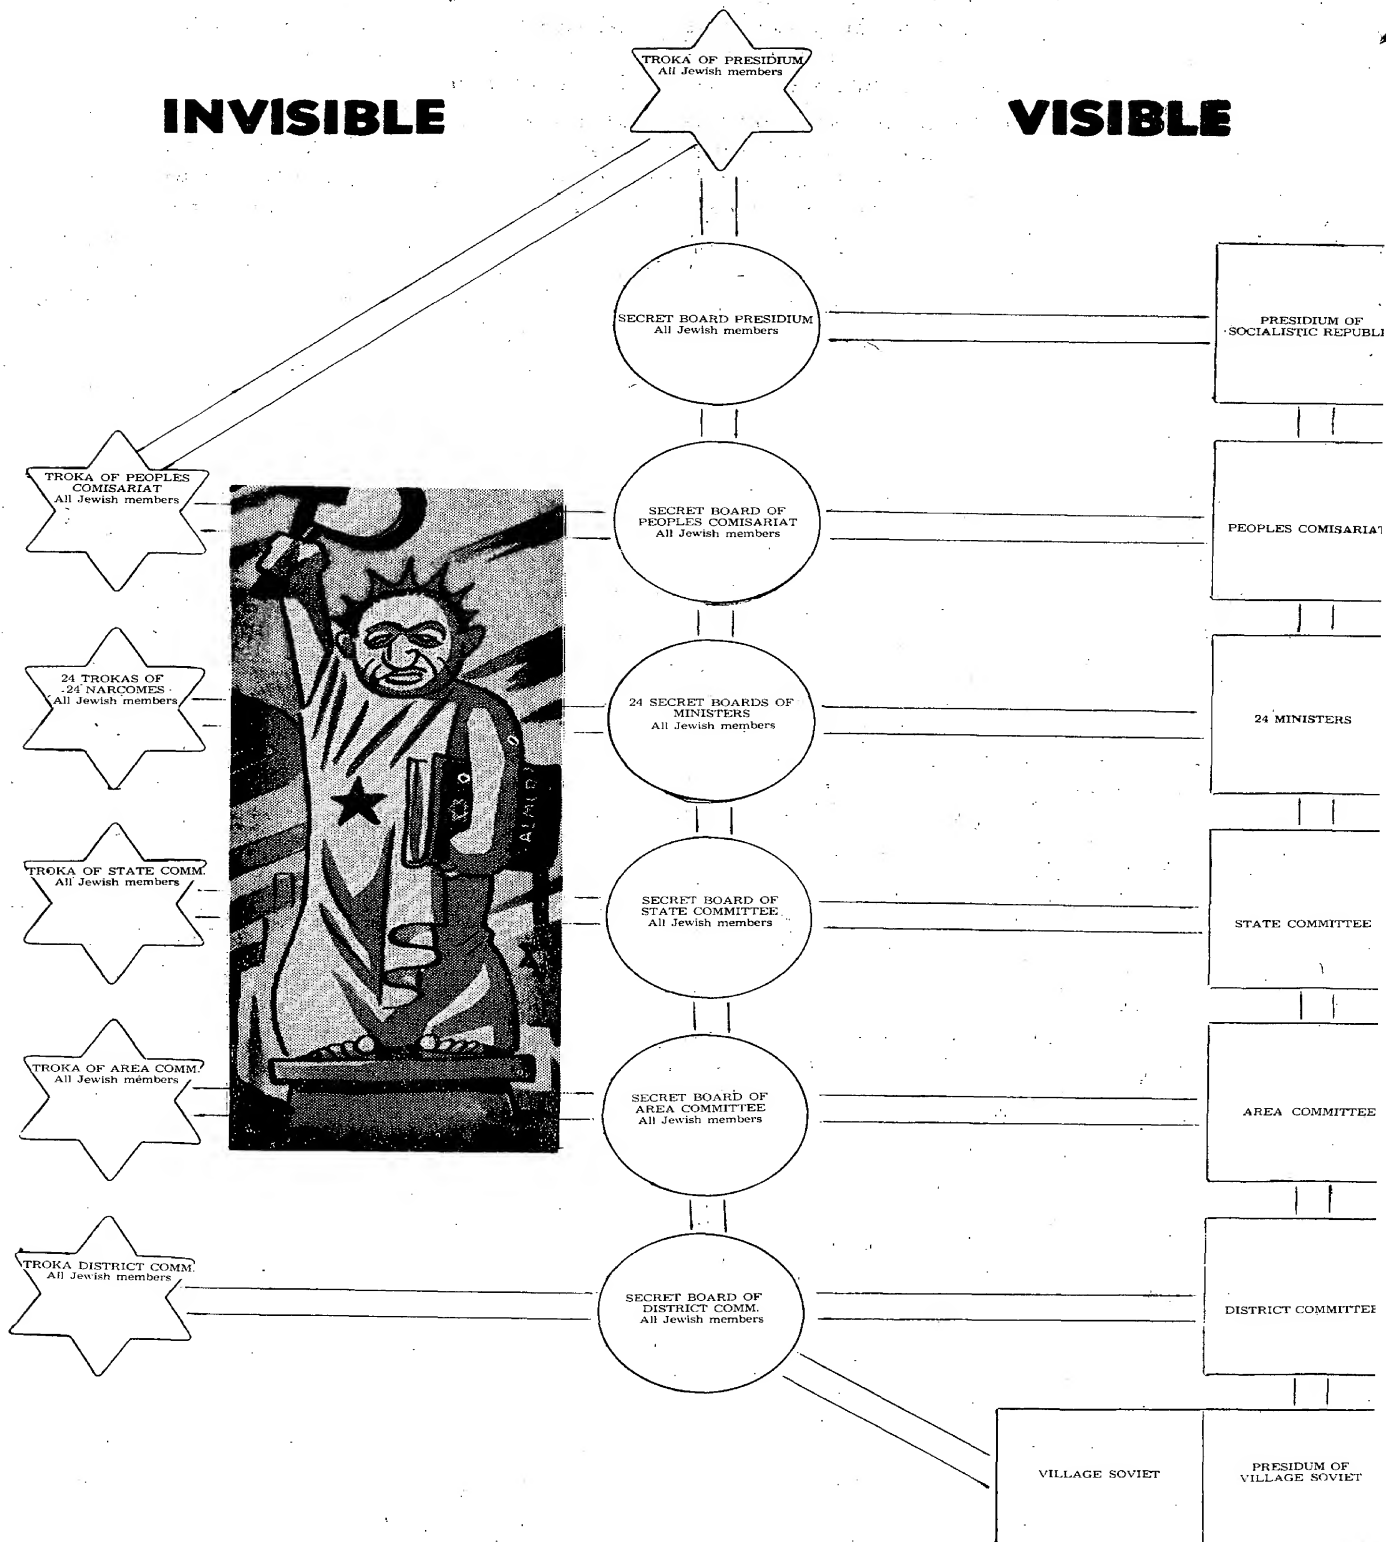

In the Soviet Union there is very little home life since the Jewish secret government manages to keep families broken mainly due to the fact that there are millions of men in the concentration camps and Army. In the cities there are many more women than men, and the men who are favorites and left at home in many instances cohabit with four or five women. It is not necessary for the men to support these women for the women are the ones who do the work and support themselves. Very few men are in the cities and villages where most of the work is done by women, including heavy industry and farming. Many children do not know their fathers and children often become wards of the state shortly after birth. The result of this control over the generations by the Jewish World Planners is that Christian home life is obliterated.

Government Of The Soviet Union

INVISIBLE

VISIBLE

THE GOVERNMENT OF THE SOVIET UNION

In the Soviet Union there are two distinct governments; one visible and the other invisible. The visible government is composed of Gentile personnel and also Jewish personnel, whereas, in the invisible government all members are Jewish. There are 600,000 secret police within the Soviet Union, and of these 400,000 are Jews. The secret police receive their orders from the secret invisible government.

In the Soviet Union the Communist Party is limited to 3½ million members, and approximately 2 million young communists called Comsomols. The latter do most of the spying on the Gentile population for the Jewish Secret Board. Of the 5½ million party members 50% are Jewish with remaining 50% composed of prostitutes, criminals, illiterates.

The Jewish Talmud says "*torture and kill the Gentile people and raise holiness for Israel*". Every year the Jewish Secret Boards execute a secret plan for the liquidation of many thousands of Christians who are considered too well informed. These victims are discovered by the spys who mingle with the general population.

Every Troika consists of three Jews whose responsibility it is to control by way of secret designs the masses of Christians within their jurisdiction. The Troika legislates the laws based upon their Talmud, and the Secret Boards execute them.

The Jewish Talmud says "*Earth will have to be filled with the Chosen People*", therefore in every country where Jewish Communism has taken over they first destroy the educated Christian class along with their families. Jewish Communism has destroyed all the members of the pre-existing government along with their families, with the exception of the Jews. It has destroyed all the Federal officers, detectives, State police, and Army officers along with their families, with the exception of the Jews. Jewish Communism has destroyed all of the Masons along with their families although this group was used effectively at the beginning to further the cause of communism. Jewish Communism has destroyed the freedom loving farmers, merchants, real estate owners, businessmen and professional men along with their families, Jewish Communism has destroyed all the spiritual leaders of the Soviet Union with the exception of the Rabbis and a token force of other spiritual leaders for exhibition. All churches have been destroyed or converted into other buildings with the exception of the synagogues.

The Jewish Talmud says, "*when God divided the earth He gave all the Goyes (Christian cattle) to Israel.*" When the Jewish Gestapo took over the Soviet Union it took over all private property of the Christian population and turned it over to the government. From these properties the government made collective farms and made the Christians slave laborers of these farms. The result is not a peaceful one since all the slaves are dependent upon the government collective farms for their meager sustenance.

In the Soviet Union the Jewish invisible government separates wives from their husbands and men from women. About 20,000,000 men are confined to concentration camps, and as a result succeeding generations will be affected. The supervision of these concentration camps is under the direct control of the Jewish Gestapo.

On 5/22/58, [REDACTED] furnished this office, by mail, with a small quantity of printed material which he had received by mail. This material was stamped with the name, A. JEFIMOW, PO Box 927, Union, N.J. The material consisted of one printed page in English which referred to the structure of the Soviet government and stated that in actuality, the Soviet government consists of an invisible and a visible structure. This material stated that the visible government, as it is publicly known, is merely a front, and that the invisible government, composed entirely of Jewish people, is the real force behind the Soviet government. In addition, this material consisted of one printed pamphlet, written entirely in Russian.

On 6/5/58, [REDACTED] was contacted and advised that this material might be of interest to the Post Office Department inasmuch as it was anti-Jewish and racist in nature. Inasmuch as [REDACTED] requested that this material be returned to him, this was done at that time.

On 6/6/58, [REDACTED] telephonically advised that he had turned this material over to the office of the Postal Inspectors in Newark. At this time, he stated that in the event he learned that the mailing of this material did not constitute a violation, he intended to write his Congressman to protest that anti-Semitic material of this nature be allowed to be mailed.

A review of NK 105-1910 reflects that similar material has been received from numerous sources previously and that the Bureau is aware of the nature of this campaign.

PROTOCOL

For World Conquest

CONFIDENTIAL NOTICE TO ALL JEWS

We are about to reach our goal. World Wars I and II furthered our plans greatly. We succeeded in having many millions of Christians kill each other and returning other millions in such condition they can do us no harm. There remains little to be done to complete our control of the stupid Christians.

JEWS IN AMERICA — These are your final instructions prior to take-over:

1. Continue to enlarge our control over radio, TV, newspapers, movies, magazines, and books.
2. Educate our sons and crowd the Gentiles out of the practice of law, medicine, pharmacy; all profitable trades and professions.
3. Make their Schools and Colleges training camps for our Social Revolution.
4. Bring ridicule upon their Christian faith, divide their people, weaken their churches, profess brotherhood and fellowship until our cause is won.
5. Demoralize their women and children.
6. Corrupt their courts and bring them into contempt; using our interpretation of the laws and Constitution.
7. Turn class against class. The Negro against the White.
8. Buy politicians and continue to corrupt their local, state, and national governments.
9. Destroy the Christians and Non-Jews by mass inoculation, water pollution, mental health and civil rights laws.
10. Use willing tools like Eisenhower, Dulles, Lodge and Warren; they will do our bidding.
11. Plan unrestricted immigration of our people to America from Central Europe and the Middle East.
12. Tighten control of their money through our Federal Reserve System.
13. Continue to place Jews in key positions in government, army and navy.
14. We must destroy the Republic and replace it with a Democracy (Jewish-governed state Socialism.)
15. Continue our control over labor, agitate unrest, strikes and violence by any means or schemes.

Especially through these methods shall we plunge this country into destitution, demoralization, bankruptcy, and civil war, further lessening the numbers of our enemies.

The Bolshevik Revolution made us masters of Russia.

The last war made us rulers of all Asia and Europe except Spain.

Through our United Nations Organization ISRAEL was created. We will now develop and expand this treasure house into the center of world government.

Let the next war make us complete MASTERS OF AMERICA.

For our preservation, you are warned to renounce, abjure, repudiate and deny any of this information if questioned by Gentiles, even under oath, as directed by the Talmud.

It is needless to caution you of the terrible consequences that might follow if these instructions should fall into Christian hands.

THE CENTRAL CONFERENCE OF RABBIS

World events, past and present, leave no doubt as to the validity of the diabolical orders exposed in the above secret document.

Warren Studies Talmudic Law Here

The New York Times

Chief Justice Earl Warren with Dr. Louis Finkelstein, chancellor, on arrival at Jewish Theological Seminary.

By RICHARD AMPER

Chief Justice Earl Warren enrolled yesterday for a short course of instruction in judicial decision-making processes more than 2,000 years old. The head of the nation's highest tribunal, who has made some historic decisions of his own, sat down with scholars of the Jewish Theo-

logical Seminary of American for three days of discussions of Jewish law and its relevance to contemporary legal problems. Dr. Louis Finkelstein, chancellor of the seminary at Broadway and 122d Street, said he had long been

Continued From Page 1

acquainted with Mr. Warren. He disclosed that the Chief Justice had expressed a desire to learn something of Jewish legal tradition with its guiding emphasis on moral law.

"It is unusual in any country for a Chief Justice to sit down with a group of scholars," he said.

"We desire to express our respect and reverence for him as a person, and for the legal system at the head of which he stands, by sharing with him our most treasured possession—the Talmud and its teaching."

The Chief Justice donned a black skull cap to attend Sabbath Eve services at the seminary in deference to the Orthodox and Conservative Jewish tradition of keeping the head covered in houses of worship.

Mr. Warren will participate this afternoon and tomorrow in discussions of the Talmud, containing the code of Jewish ecclesiastical law, called the Mishnah, and its interpretation. The interpretation is analogous to a Supreme Court decision expounding the merits of a case, rabbinical reasoning and its conclusions.

At last night's session following a dinner, Dean Saul Lieberman of the seminary's rabbinical school discussed aspects of the Mishnah dealing with the law and court procedures. It included the Jewish legal view of self-incrimination, involved in the Fifth Amendment that has posed a vexing question in American constitutional law.

He explained that under Jewish law, where there is no other evidence or witness against a defendant, he cannot incriminate himself because of the rabbinical concept that if a man testifying against himself is a repentant sinner he is beyond court jurisdiction.

In an interview before yesterday's meeting, Dr. Finkelstein said that Mr. Warren had

expressed an interest in the process by which rabbinical scholars made moral standards the prime determinant of all judgments on human conduct.

Then he explained that enforcement of Jewish law was based partly on religious appeal, the ideas of reward and punishment in a future world or the present one, and partly on religious love or fear of God.

The first and overriding consideration in any decision on allowable conduct under the Jewish process, he said, was: "What is right? What does God want?"

At the close of the session Mr. Warren observed that the American Constitutional protection "is, perhaps, not as sacred as in ancient times." A measure of protection exists here, nevertheless, he said.

He expressed his thanks for the lesson in Jewish law and said it showed how much of the common law could be traced back to Judaic origin. He cited the lecturer's references to protections against double jeopardy and self-incrimination.

During the lecture, the Chief Justice sat attentively, sometimes with arms folded across his chest. Often, as he studied a copy of the law and listened to the explanations, he leaned on his elbows and cupped his chin in his hands.

Dr. Finkelstein said that the subject of racial segregation would not be mentioned at the seminary talks. This would be in deference to judicial tradition against public discussion by a Supreme Court justice of any case in which the court was involved. Mr. Warren wrote the majority opinion outlawing segregation in public schools.

But he said during the interview that part of the difficulty in ending Southern segregation resulted from the Northern moral violation of equal rights.

At today's session, Shalom Spiegel, William Prager Professor of Medieval Hebrew Literature, will discuss the Biblical concept of justice. Sunday's session will deal with the precise application of Jewish ethical precepts to contemporary problems of American law.

[redacted] of American Legion, Post #136, Greenbelt, Maryland, appeared at the WFO and turned over the enclosed literature. [redacted] stated that for the past three or four months the Post (#136) has been receiving similar literature which is apparently being sent out by the captioned organization.

Instant material was mailed in an envelope which bore no return address but bore a Little Rock, Ark., postmark. [redacted] advised that literature in the past has been anti-Jewish and anti-Negro.

Enclosed for information of Bureau, Baltimore and Newark are one copy each of the following:

1. Flyer "Protocol for World Conquest" - Christs Crusaders
2. Flyer "Is this Not Proof"
3. Flyer "EISENHOWER's Appointments"
4. Flyer "Americans Awake" - Common Sense.

The piece of literature entitled "Protocol for World Conquest" bears on the bottom the statement that it is distributed by "Christ's Crusaders, a national militant underground organization dedicated to the preservation of Western civilization."

It is suggested that Baltimore might consider developing [redacted] as a source in Citizens Councils matters as set forth in Bulet to Atlanta, dated 10/9/57 in a matter entitled "Citizens Councils, IS-X."

The original of above pieces of literature will be maintained with this letter in WFO files.

Info & Index where needed

NY 105-6188

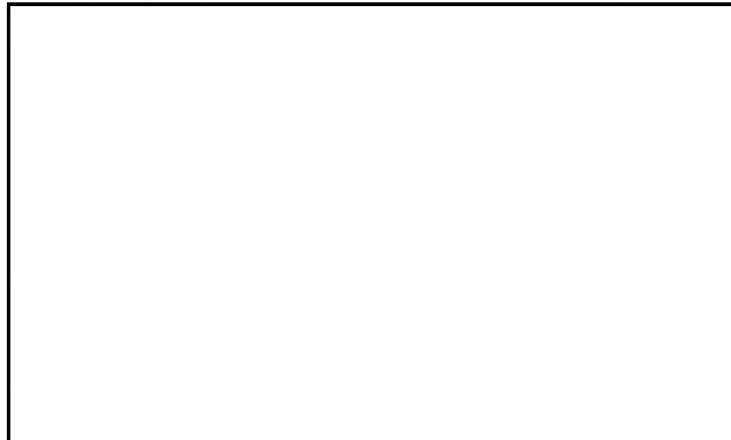

It is noted that "Common Sense", published by the Educational Association of Union, New Jersey, was characterized in a report issued on 12/17/54, by the Committee on Un-American Activities of the US House of Representatives as a "hate group" vehicle, publishing "some of the most vitriolic hate propaganda ever to come to the attention of the committee". According to the report, "Common Sense" depicts Communism as "Judaism", and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities in our nation. Sympathy for the former Nazi Regime in Germany is also injected into this propaganda.

Two copies of this letter are being furnished to the Newark Office for information.

Get a move on, St. George!

the control of Jewish Secret Board liquidated the lives of the enemy of the people, why for the communists of Jewish nationality it is not so important for the every person? In the Soviet Union are people only Jews.

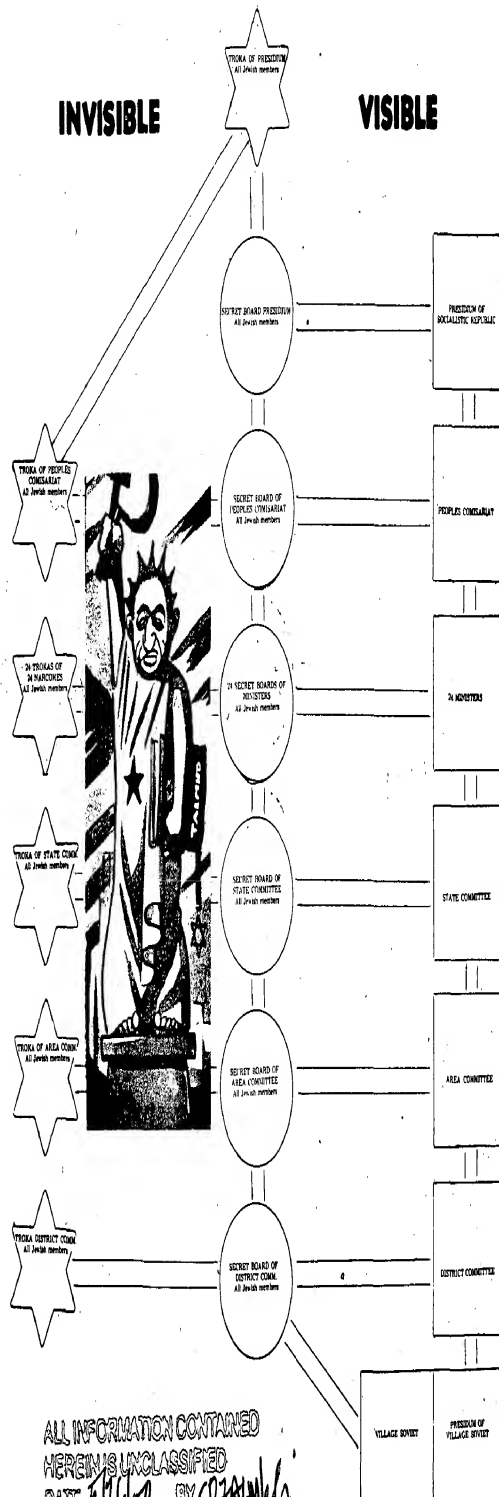

12. Why is it in the Soviet Union there is a Secret Board where a file is kept on every Gentile containing all information relatives to his activity? (Every year these records supply the Jewish Invisible Government of those who are to be liquidated).

(In 1939 Jewish plotters of Central Secret Board of Soviet Union special had used the Stalin to make friendship with the Hitler in order that to save the lives of German Jews. Now Jewish plotters of the Central Secret Board of Soviet Union have made the Khrushchov keep friendly with the some leaders of governments of Gentile people in Arabian countries for protection the communistic conspiracy of Jewish Israel, for saving the lives of Jewish agents of Communism, and for political and spiritual desecration the Gentile population of the world).
16. Why is it in the Soviet Union the Jews are punished only for revealing the secret of the Jewish Invisible Government, and the Gentile punished for minor "crime" such as being late or absent from work, negligence, accidents, etc. that would not be a punishable offense in the U.S.A.?
17. Why is it in the Soviet Union political prisoners have liquidated along with their families and relatives, but the relatives of political prisoners of Jewish nationality have come to America and other countries and accuse Jewish secret police of Soviet Union of "anti-semitism" on radio television and on the press?
18. Why is it that Jews in the communist countries have the right to get a permit for emigration into the free countries, but the Gentile slaves who fled from the Soviet Union, when caught by other countries are returned to the Soviet Union to be shot?
19. Why is it in the Soviet Union there are more communists of Jewish nationality who work in the government, but when the Communist Party Purge communists of Jewish nationality purge out only few, they put them on the news papers front for the propaganda to the Gentile people as leaders of "opposition against" Communism?
20. If Israel is not the centre of Communism in Middle East, why Jewish world plotters have made some governments of free countries protect the world crime of Communism, fight Arabian countries for governments of Gentile people, fight McCarthyism for trouble communists in America, and trouble every leader who really fight Communism?

From the book SONS OF DEVIL written by Rodionov. "All power of Jewish people is directed enlarge quantitative and qualitative evil and vices on the earth; for deepening the people's falling and sinfulness. By that we Jews enlarge the power of our father. The spirit has command over the matter." (The words of M. Dikis the member of Jewish Secret World Government).

In the Soviet Union are two distinct government; their families and relatives, with the exception of one visible and the other invisible. The visible the Jews, after Jews had used them to take over government is composed of different nationalities - the country. It has destroyed farmers, merchants, less personnel, but in the invisible government real estate owners, businessmen, and professional all members are Jewish. There are 600,000 secret men men with their families, with the exception of police 400,000 of them are Jews. The secret police - the Jews. It has destroyed all spiritual leaders who receive their order from Jewish invisible of all religions, with the exception of the Jewish government. The number of the secret police Jew- rabbis, and keep force over it. But for trouble Jewish invisible government has enlarged according Jewish religion and Jewish people legislated the political situation in country, but approximately law punishment by secret court by death for anti-Jewish 67% members keep of Jewish nationality - as antisemitism. The churches of Gentile people have destroyed or converted into the other buildings, with the exception of the Jewish synagogues.

In the Soviet Union the Communist Party is limited to 3 1/2 million members, and approximately 2 million young communists called Comsomols. When Jewish Zionism took control over the two million young communists called Comsomols. Id propaganda, then Jewish millionaires of Kuhn They are spying on Gentile population for the Loeb Co. financed 43 million dollar the Communist Jewish Secret Board. Of 5 1/2 million members 50% of the Revolution in Russia, and sent 276 Jewish leaders are Jews, and 50% of Gentile, but of Gentile leaders from America who with the Jewish leaders of people Jews use for Communist Party criminals, other countries took over the Russia and rule unprofitable and illiterates that better obey the law now. They took off all material goods of count-Jewish rule. The communists of Jewish nationality and all private property of the population and they are united and trust each other, but the Communist Party turned it over to the Jewish government, all Gentile communists of Gentile people spying on each other the population made own slaves for Chosen Jewish for Jewish Secret Board. Every five years Jewish people. In Soviet Union Jews believe that all Gentile Secret Board does purge the Communist Party the population are own cattle of the Jews. Jews and liquidates those who begin to understand have such number of Gentile cattle which necessary - the Jewish secret of government. Their place is to produce material goods for the Chosen Jewish take Comsomols who still don't understand it. Jewish people and for the military reasons, but who do not need for the Jews, Jewish secret police liquidates them.

The Government of Soviet Union.

1. Troika consists of three Jewish spiritual members - it is the top over every instance of the In the Soviet Union Jewish Invisible Government Soviet Union Government. Gentile people can use separate husbands from their wives and men from the service of the Troika, but are not allowed women about 20,000,000 men are confined in concentration to see them. The Troika legislates the laws bas-ration camps, and 4,000,000 in the army for the ed upon their Talmud, and Secret Board executes reducing the generation of Gentile people. WHO ARE THE RULERS OF RUSSIA?

In order for one to understand who the rulers of Russia are, one must know the answers to several basic questions. After the reader has answered these questions then he will be able to decide for himself what motivates Communism, not only in the Soviet Union, but throughout the world.

It would also be interesting to hear the thousands of communist Jews who have immigrated into the United States during the past decade answer these questions.

1. Why is it that in every country where Communism has taken over, they first destroy the educated class along with their entire families, with the exception of the Jews?
2. Why is it that in the Communist countries the communists confiscate all the private property owned by the peasants and working class and make them dependent upon the Jewish rulers of government for their material goods?
3. Why is it the Jewish Secret Board in the Soviet Union divided all Gentile population into hostile classes concerning brain, and steadily has forced class warfare for them to liquidate each other, with the exception of the Jews?
4. In order to make it easy to use one part of Gentile people to destroy other of them, the Jews in the Soviet Union specially created want and an artificial famine thus making Gentile population depend upon the government for every thing. For weakening physically and mentally the Gentile people Jews created special big work norms, punishment for the loosing work time and made them because of want and famine rob each other, and thus to hate each other, steadily torture Gentile people by spirit and physical. Why is it the Jews use shut distributors (the stores where much food and manufactured goods there not allowed for the use of Gentile people), and Jews not work in menial jobs but are supervisors, managers, chiefs, etc.?
5. Why is it that under the Jewish influence of some governments of free countries they are incapable to help to Gentile slaves of Jewish rule in communistic countries to destroy Communism by them selves without a Third World War?
6. Why is it that Hungarian people in 1956 had freed their country of Communism the international Jewish plotters did not allow to the governments of free countries to help them save their freedom in spite the fact, that the army of Communism is incapable of fighting against the power of the free world?
7. Why is it necessary for the Jewish international plotters of Communism to prepare Third World War for the destruction of two thirds of the Gentile population in the world of science the Jewish Talmud?
8. Why is it the Jewish spiritual leaders have kidnaped Christian children for the ritual murder, pour out their blood and use it for the spiritual ceremony several times a year in spite of the fact that Russian people before the Communism some times did pogroms against Jewish ritual murderers for the defence of the Christian children?
9. Why is it that good governments of Gentile people have legislated the laws in country according the science the religion of the majority people of the country, but in communistic countries Jewish plotters fight all religions of Gentile population, have legislated the laws, make deceit, jeering and plan the destruction of Gentile people of science upon the Jewish Talmud?
10. Why the Jewish Secret Board in 1937 liquidated the communists of Gentile people who had made census the population in the Soviet Union, and until now publish the number the population of the Soviet Union for the propaganda without any census?
11. Why is it that all communists of Gentile people the time of the Communist Purge Party for the devotion to the Communism and for the protection on better position every one has to prove to

Federal Bureau of Investigation
Washington 25, D. C.

Gentlemen:

I am a disabled Veteran of World War II
and a strong believer in the Democratic way of life.

Recently I came across the enclosed pamphlets
which I found just outside of the Elizabeth, N.J., Post
Office and the Jersey Central Railroad Station, also
here in Elizabeth, N.J. This highly inflammable,
anti-semetic, and un-American material may
very well be the work of a crank, but then again
it possibly is not.

I would appreciate it very much if your
office in this area would look into and investigate
this matter at your earliest convenience.

Respectfully yours,

ReBuairtel to all continental offices dated October 13, 1958, captioned "Informant Coverage In Organizations Which May Be Engaged In Violent Activities Involving Minority Groups" and SAC Letter 58-63 dated October 13, 1958, dealing with press statements in bombing cases having apparent racial or religious basis.

In carrying out our responsibilities to give full assistance to local police departments and in determining whether any Federal violations under the Bureau's jurisdiction exist with respect to bombings and attempted bombings, there is a possibility that "hate" groups such as the Washington White Citizens Council, the National States Rights Party and the Confederate Underground may be involved either in the planning of or the actual carrying out of these terroristic activities. As a part of our over-all investigative effort to determine the identities of those responsible for the bombings, the Bureau has initiated a program of immediately launching intensive investigations of "hate" groups. It should be kept firmly in mind at all times that the primary purpose of the intensive investigations of these "hate" groups is to determine whether the leaders or members of these groups are involved in any way in the bombings which have taken place since January 1, 1957.

In order to assist the field, the Bureau has compiled the following list of known "hate" groups for use in implementing this program.

BOMBINGS IN SOUTHERN COMMUNITIES

American Committee for the
Advancement of Western Culture
105-22853

(New York)

This organization was promoted in 1953 by the National Renaissance Party and like this organization, was strongly anti-Semitic and pro-Nazi. Investigation was discontinued in 1953 due to inactivity of the organization.

✓ Christian Anti-Jewish Party
65-15743

(Atlanta)

NK-105-1133

This organization was founded in Atlanta, Georgia, in 1945, by Jesse B. Stoner, a former member of the Associated Klans of America. This organization is anti-Negro, anti-Jewish and a strong advocate of white supremacy.

Christian Educational Association
of Union, New Jersey
105-9621

(Newark)

NK 105-1910

The Christian Educational Association is the publisher of "Common Sense," formerly known as "Think Weekly." The address of its publisher, Conde McGinley, is 530 Chestnut Street, Union, New Jersey, and the publication itself is a biweekly newspaper with a fluctuating circulation of between 30,000 and 100,000 copies. The material in "Common Sense" has been described as some of the most vitriolic hate propaganda ever published and generally "Common Sense" depicts communism as Judism and devotes its pages almost exclusively to attacks on the Jewish, and to a lesser extent, the Negro minorities.

Christian Nationalist Crusade,
also known as Christian Nationalist
Party of America
62-43818

(Los Angeles)

NK 105-1437

The Christian Nationalist Crusade was organized in St. Louis, Missouri, in 1947 and has its headquarters at the present time in Glendale, California. This organization, as well as its subsidiary organization, the Christian Nationalist Party of America, reflects the imprint of its director, Gerald L. K. Smith, whose basic argument has been that the United States is threatened by anti-Christian and racially "mongrelizing" forces such as communism and internationalism, all dominantly motivated by international Jewry. While it is not known whether Smith and his close associates have inclinations to illegal action, the tenor of their public statements and programs is intensely anti-Semitic.

has been described as anti-Semitic, pro-Fascist and pro-segregation

✓ Confederate Underground (Atlanta)
105-70219

Allegations have been received during July, 1958, that
this group was involved in racial bombings in Miami, Birmingham,
and Nashville. Its head is allegedly Jesse B. Stoner, associated
with the Christian Anti-Jewish Party. Its activities are being
discreetly checked to determine whether these activities bring the
movement under the provisions of Executive Order 10450.

✓ National Citizens Protective (St. Louis)
Association
105-16510

The main purpose and objective of this organization, which
was formed in 1951 with headquarters in St. Louis, is advocacy of
racial segregation and opposition to racial integration. Its
constitution calls for the preservation of the purity of the white
race in America by maintenance of the separation of the races. This
organization published two monthly periodicals entitled "The White
Sentinel" and "White American News Service." It has been reported
that the organization has had no success in the establishment of
chapters throughout the United States but that it continues to
publish and distribute large amounts of anti-Negro printed matter.

National Renaissance Party (New York)

NK 105-6386

This organization claims to be a legitimate political party, however, its members include past members of various Klan organizations and notorious anti-Semites. ✓ Nationalist Party, also known as (New York)
United States Nationalist Party
105-33261

NK 105-3095

This organization is basically a one-man organization formed in New York City by West Hooker. It was reportedly an anti-Negro, anti-Catholic and anti-Jewish organization. It published spasmodically in 1955 and 1956, the "Nationalist Party Bulletin."

✓ Nationalist Conservative Party (Chicago)
105-39509

b6
b7C

Formed in 1954 by [redacted] a sponsor of the defunct German-American Bund, ostensibly to develop a third major political party. This organization has had limited contacts with such notorious anti-Semites as West Hooker and Eustace Clarence Mullins.

Silver Shirt Legion of America (Indianapolis)
61-7587

This organization, headed by William Dudley Pelley, was extremely active prior to World War II and was considered neo-Nazi and anti-Semitic in nature. This organization has been designated by the Attorney General pursuant to Executive Order 10450. Pelley served a Federal sentence for his activities and since his release in 1950, has been printing material of a noncontroversial nature. No information concerning the organization or Pelley has been recently received and since it is not known whether Pelley has resumed his old practices, a check of the organization seems warranted at this time.

"Williams Intelligence Summary"
105-10091

(Los Angeles)

This publication is a monthly news letter of obvious anti-Semitic nature prepared by Robert H. Williams, Santa Ana, California. Williams claims to have vast experience in the intelligence field dealing with **the communist** menace. However, pertinent records reflect he was associated in a limited capacity with Air Force Intelligence during World War II. Material printed by Williams is often reprinted in "hate" publications such as "Common Sense."

Each office of origin of the groups listed above should launch an immediate investigation to determine whether these groups could be connected in any way with any of the bombings which have occurred since January 1, 1957. In order to accomplish this, it will be necessary to determine the present leaders and membership of the groups and to establish the pattern of their activities during the pertinent period, that is whether they have advocated violence or are of such a radical nature as to present a potential for violence. These cases must be assigned to mature, experienced Agents and must receive the personal supervision of the Assistant Special Agent in Charge or Special Agent in Charge. Careful planning must go into the approach to these investigations and it is expected the appropriate initiative and ingenuity will be exercised to achieve results. Sufficient manpower must be assigned in order that all investigation may be handled promptly and a determination can be made as to whether any of these groups are involved in the bombings. You must, of course, comply with instructions set forth in reairtel to develop sufficient informant coverage so that you will be advised on a continuing basis of the plans and activities of these groups.

Each office of origin must advise the Bureau within ten days of receipt of this communication that an investigation has been launched of the groups in its jurisdiction together with an outline of the investigative plan and the number of Agents assigned to carry out the investigation. Thereafter, reports must be submitted each thirty days until the Bureau advises to the contrary or until the group under investigation has definitely been eliminated as having any connection with the bombings. The original and four copies of reports must be submitted.

In connection with the over-all program, all offices must search their indices to determine whether there are other "hate" groups than those listed above. In the event any such groups are located in the search of the files the Bureau should be promptly advised of the identity of the group together with a statement as to whether investigation is being initiated. If investigation is not to be undertaken, complete justification for not so doing should be included in the communication to the Bureau.

See file
All offices except the offices of origin in the groups listed above should search their files for information concerning the above-listed groups and promptly furnish such information, where not previously done, to the Bureau and the offices of origin. In addition all offices should contact logical informants and sources in order to develop any information available concerning the possible identities of individuals who may have some connection or knowledge of the bombings which have taken place since January 1, 1957. The Bureau should be advised by October 28, 1958, the results of file searches and the contacts with logical informants and sources and all offices should continue to be alert for and alert their logical informants and sources to promptly bring to their attention any pertinent information concerning bombings and attempted bombings. Such information should be promptly reported to the Bureau.

This is a program, which if exploited to its full potential, could well lead to the solution of the bombings. Therefore, it must receive continuous and expeditious attention.

CONDE MC GINLEY was also the subject of a Registration Act case (Bufile 105-9821, NK 97-173) which was concerned with the receipt of foreign pro-Arab propaganda material by him. Investigation did not develop that he was acting under the control of a foreign principal.

An article appeared on the front page of the "Newark Star Ledger" on 10/17/58, which reflected that anti-Semitic literature had been placed on doorsteps in East Orange, N. J., Wednesday evening and early Thursday morning. The literature consisted of a four-page, unsigned pamphlet and had also been distributed on Forest Drive in Union, N. J.

On 10/16/58, [redacted] personally appeared at this office and made available a copy of the four-page pamphlet which had been distributed on Forest Drive in Union, N. J. [redacted] resides on [redacted] and had gone to the Mayor of Union to lodge a protest.

b6
b7c

Examination of the above pamphlet reflects that it is entitled, "Government of the Soviet Union," and is apparently identical with a pamphlet with the same title which was forwarded to the Newark Office as an enclosure with a copy of a Bureau letter, dated 9/16/58, to [redacted]

b6
b7c

[redacted] The Bureau letter to [redacted] acknowledged receipt of his letter of 9/8/58 and two copies of the above pamphlet. There was nothing in the above pamphlet to indicate the name of its publisher. However, a comparison of this pamphlet with other material contained in the files of this office indicates that it has apparently emanated from the same source.

Reprints captioned, "The Secret Government of the Soviet Union" and "Government of the Soviet Union," which have been widely distributed in the past contain identical illustrations, cover design and similar text. These reprints bear the imprint A. JEFIMOV, Box 827, Union, N. J.

ALEX JEFIMOV has worked for CONDE MC GINLEY in the past. As reflected in the report of SA WILLIAM G. BEDELL, dated 11/2/58, on the CEA, leaflets on "The Secret Government of the

PAGE FOUR
NK 134-1349

Soviet Union," and "Who Are The Rulers of Russia?" by ALEXKY JEFIMOV have been advertised as being available through the CEA and have been enclosed with copies of "Common Sense."

It would appear that the current reprints being circulated are variations of prior leaflets issued by JEFIMOV. It is probable that these reprints are prepared in MC GINLEY's publishing house.

It is noted that an article also appeared on page 1 of the "Newark Star Ledger" on Friday, 10/17/58, which was an AP release and bore a Providence, Rhode Island, dateline. According to the article, "Common Sense" was being distributed in the Greater Providence area in plain envelopes with a Providence postmark. The article described "Common Sense" as a violently anti-Negro and anti-Jewish hate sheet distributed in Atlanta, Georgia, and Peoria, Illinois, before recent Synagogue bombings.

All agents handling both criminal and security informants, as well as agents responsible for liaison with police departments, have been alerted to the need for the development of information on the existence of any extremist groups in New Jersey.

In accordance with instructions set forth in Buairtel of 10/16/58 captioned, "BOMBINGS AND ATTEMPTED BOMBINGS IN SOUTHERN COMMUNITIES; RACIAL MATTERS," (Bufile 62-245), separate investigation has been instituted on the Christian Educational Association of Union, N. J., and the Bureau will be promptly advised of developments in this matter.

Anti-Semitic pamphlets put at E. Orange doors

EAST ORANGE — Hate-mongers have placed vicious anti-Semitic literature on doorsteps here, police disclosed yesterday.

A four-page, unsigned pamphlet was placed Wednesday night and early yesterday on porches in the Vernon Ter. neighborhood, Detective Lt. Harold Patterson announced.

Some of the pamphlets were turned over to police by indignant residents.

Police said the pamphlets have also been distributed on Forest Dr. in Union. One woman went straight to Union Mayor Edward Blertuempfel's office with the document and lodged a protest. The mayor ordered authorities to investigate.

A "personal investigation" was promised immediately by Essex County Prosecutor Charles V. Webb.

"I will request a report from the East Orange Police Department on whatever information is available," Webb said. "The people of Essex

County will not tolerate such activities."

Officials of the Newark office of the B'nai B'rith's Anti-Defamation League offered to turn over to Prosecutor Webb their files on persons known to publish anti-racial and religious material.

Nelson Stamler of Elizabeth, a national commissioner of the league, disclosed that less than a month ago, similar material was distributed in Jersey City, Rahway and Linden.

"A great many Americans of Christian faith immediately sent the pamphlets to us," Stamler said, "so that we could continue to educate the public about these poisonous publications."

Informed of the pamphlets, Mayor William M. McConnell inquired whether they were being used for political purposes. Told they apparently were not, McConnell said: "Then it's entirely a police matter."

PROBING PAPER

"We hope that the incident will not recur," he added.

The call was received by Mrs. Melvin Shapiro, secretary to the principal, who notified police.

The educational center combines the Yeshiva School and the synagogue.

Meanwhile, Prosecutor Stine disclosed he is investigating "Common Sense," published by Conde McGinley of 530 Chestnut St., Union.

Stine said the appearance of the pamphlet before the bombings was "of tremendous importance to me."

Stine announced that he was seeking back issues of "Common Sense." He said he also sought copies of leaflets issued by the Christian Educational Assn., an organization with headquarters at McGinley's home.

When asked for comment on the probe, McGinley, 65, said:

"It's a little late to investi-

(Please turn to Page 2, Col. 2)

Meanwhile, Union Prosecutor H. Douglas Stine said he was probing an "Anti Semitic, anti-Negro" newspaper, published in Union. The sheet, "Common Sense," appeared in several cities where synagogues were bombed.

The call to Temple Beth El, Hudson Blvd. and Harrison Ave., Jersey City, was received at 7:30 p.m. by caretaker Dudley Maxie. The caller said, "A bomb is set to go off at 9 p.m." and then hung up.

SERVICES DISRUPTED

Maxie called Rabbi Samuel A. Berman, who contacted police. A search of the temple failed to turn up any signs of an explosive but services, which began at 8:15 and usually end at 9, were terminated 10 minutes early on the advice of authorities.

"It is tragic," Rabbi Berman said, "that people will do this sort of thing."

The Elizabeth bomb threat was received by the Jewish Education Center, Elmora Ave. and Livingston Rd., at 1:15 p.m.

JUST PLACED A BOMB

A man's voice said:

"I'm sorry I did it. I don't want anyone to get hurt. I just placed a bomb in your building."

The school was emptied for 40 minutes while police and firemen searched the building. Students thought it a routine fire drill. The synagogue was also searched. No bomb was found.

Rabbi Pinchas M. Teitz, dean of the school, said it was his "hope" that the call was "the work of a crank." He said that such a person might have been under the influence of reports of the bombings in Atlanta and Peoria.

Friday evening services at a Jersey City synagogue were disrupted last night when a caller warned that a bomb was set to explode in the temple. Earlier, 950 students at a Jewish school adjoining a synagogue in Elizabeth were evacuated after an explosion threat. Both warnings proved false.

PROVIDENCE, R.I. (AP) — A violently anti-Negro and anti-Jewish hate-sheet distributed in Atlanta, Ga., and Peoria, Ill., before recent synagogue bombings is being mailed in the Greater Providence area.

The sheet, called, Common Sense, is published by Conde McGinley, of Union, N.J.

But it is being received in the Greater Providence area in a plain, long envelope with a Providence postmark.

It is the heaviest mailings of the fascistic literature in this area since 1953 when the same news sheet was condemned by a formal resolution of the Rhode Island House of Representatives.

Within the last week the sheet has been mailed anonymously to business and professional persons with obviously non-Jewish names.

NJ Bomb Threats

'Hate' Literature Eyed in Temple Incidents

NEW 10/18/58
Pg 1-2

Bomb threats and a new report of malicious damage to a religious center were recorded in New Jersey yesterday, paralleling a national situation which had developed following bombings of temples in Atlanta, Ga. and Peoria, Ill.

The New Jersey incidents included a bomb threat which cut short a Jersey City synagogue service last night and another which forced the evacuation of 350 students from a religious school adjoining an Elizabeth temple.

In Newark, police were under orders to keep Temple B'nai Abraham under special surveillance after authorities there reported that 20 windows in the temple had been broken in the last two days.

However, Rabbi Joachim Prinz, spiritual leader of B'nai Abraham, discounted the possibility that the incident was connected with the anti-Semitic outbreaks across the country.

Blames Boys

Mr. Prinz said that none of the temple's large stained glass windows had been damaged and added that he believed that "the whole thing was probably nothing more than boys who may have thrown some rocks."

Mr. Prinz made no mention of the broken windows during his sermon last night which was entitled "The Bombing in Atlanta."

Three years ago Mr. Prinz was involved in a successful libel suit against Conde McGinley of Union, publisher of an inflammatory propaganda sheet, "Common Sense." Copies of "Common Sense" appeared in the vicinity of both the Peoria and Atlanta bombings.

At the same time Union County Prosecutor H. Douglas Stine said he was opening a new investigation into "Common Sense," which has been published for many years from McGinley's home in Union.

Phone Call

In Jersey City last night a man called Temple Beth El at 7:30 p.m. and said "a bomb is set to go off in the temple at 9." Police searched the building at Hudson Blvd. and Harrison Ave. but found nothing. However, Rabbi Samuel A. Berman, who

(Continued Page 2, Column 6)

Bomb Scare

(Continued From First Page)

started the regular service at 8:15 p.m. cut it short at 8:50 p.m. The congregation was not told of the bomb threat.

Yesterday afternoon in Elizabeth a similar threat emptied the Jewish Educational Center of 350 students and a faculty of 64. Again a police search uncovered nothing and the building was reoccupied an hour later. Mrs. Lillian Shapiro, secretary to the principal, said a caller notified her that a bomb had been placed in the building and that he was "sorry." The building is at 330 Elmora Ave.

In New York threats went to such diversified places as the New York Guild for the Jewish Blind, the Stephen Wise Free Synagogue, the United Arab Republic consulate and a lower East Side matzoth factory.

In Boston, there was a bomb hoax in a Jewish hospital, and in Little Rock, Ark., the threats were made in letters to both The Arkansas Democrat and Arkansas Gazette, local newspapers.

Where is the F.B.I.? Where is the Un-American Committee of Congress? Are they so busy seeking "conspiracies" among peace fighters, among Negro fighters of racism, that they do not have time to do something about these real conspirators, the racists against the Jews and the Negroes?

This is a question every honest person should ask? We should like to ask you, the Postmaster of the United States: How can you permit the Post Office to distribute hooligan, anti-Semitic hate sheets?

We demand of you: stop this stream of poisonous incitement! Stop these calls for pogroms!

Re Bureau airtel 10/16/58 concerning BOMBINGS AND
ATTEMPTED BOMBINGS IN SOUTHERN COMMUNITIES; RACIAL MATTERS.

Numerous references to Common Sense were found in
San Antonio Indices but all had to do with persons receiving
the publication. Nothing of substance which would assist
Newark in this investigation was located.

On February 14, 1952, the Bureau was advised that
San Antonio had received information indicating that [redacted]
[redacted] was probably distributing the
Common Sense publication.

[redacted] is a prolific writer who is an invalid and
mails out various anti-Communist, anti-Catholic and anti-
Semitic propaganda. Some of this material he prepares
himself usually in the form of a rambling, incoherent
dissertation and some he prints from items that he receives
from other sources. [redacted] is the subject of a separate
inquiry by this office and should any information of interest
to other Offices be developed, they are advised promptly.
Inquiry of and the reporting of [redacted] activities is being
handled in accordance with previous Bureau instructions.

On May 27, 1958, [redacted] Weslaco News,
furnished information to indicate that BRUCE V. GISH, an
elderly man working at a drive-Inn stand in Weslaco, Texas,
had distributed to at least one man a copy of a news sheet
entitled, "The Coming Red Dictatorship Published by Common
Sense, Union, New Jersey". It was stated that GISH is
regarded in the Weslaco area as a crank and eccentric old man.
No investigation is being conducted at this time on the basis
of this incident.

No further information was located concerning the
captioned organization which is not already in possession of
the office of origin.

Flames Of Hate

The task of hate runs full cycle, and today the public eye again is focused on Conde McGinley. For the task of hate and the men dedicated to that task are vomited into being by the odious thoughts spewed by McGinley and all the others like him—the Gerald L. K. Smiths and Don Bells, the Joe Kamps and the John Kaspers.

These men may not be directly responsible for the bombing of a Jewish temple in Atlanta and other bombings which preceded that, or for the bomb threats against St. Patrick's Cathedral in New York and the Jewish Educational Center in Elizabeth. But their messages of hate provide the blood that pumps through the system of affiliated hatemongers. Indeed, FBI reports indicate that many acts of violence in the South were preceded by distribution of McGinley's sheet, "Common Sense."

"Common Sense" is acknowledged to be the most powerful of the hate sheets in the nation and, unfortunately, happens to be published in Union. It has been cited by the House Un-American Activities Committee for providing "some of the most vitriolic hate propaganda ever to come to the attention of the committee." It represents itself as anti-communist, but is violently anti-Jewish. For that matter, at McGinley's building (if they let you past the locked door) one can also obtain anti-Negro, anti-Catholic or other "anti" literature, depending on the wants of the customer.

The fact that last week police attention was called to the unlawful door-to-door distribution of such hate literature in Cranbrook Rd. and Forest Dr., the threat to a religious building in nearby Elizabeth and the fact that McGinley's headquarters are in Union

compel action by responsible people here.

Legal action, unfortunately, is not possible. So long as the hate sheets are not legally obscene or indecent, the distribution of libels against minority groups must be tolerated by the post office. And group that is almost impossible to prove in court.

But do we mean, as suggested by some in hot anger, violence or damage to the brownstone building at Chestnut St. and Colonial Ave. This would be as wrong both lawfully and morally as the sacrilegious bombing of houses of worship. Further, it would martyrize McGinley, adding to the fire's fuel instead of helping to extinguish the flames.

No, the way to combat hate propaganda is through widespread education and understanding of what McGinley-type literature really is.

This job of education rests with government officials everywhere—federal, state and local as well. An example of results is the swift reaction to groups like the "Confederate underground," when President Eisenhower publicly condemned such persons and what they stand for.

The job also rests with other people of leadership, particularly clergymen of all faiths. They much teach their congregations that McGinley's so-called "Christian Education Association," far from being an association of true Christians, is dedicated to the most un-Christian concept of all: hate.

Union's ministers in the past have taken their stand against McGinley. And they were wise not to pursue the course, until time again dictated the need.

The need has come. The time is now.

The Hate Mongers

N.J. Poison Penman Is Busier Than Ever

This is the third of a series of articles exposing the men and organizations behind the hate mongering that has led to recent bombings and threats of bombings against schools, churches and synagogues.

By PAUL MESKIL,
Scripps-Howard Staff Writer

In the picture, the hanged man swung from a tree limb, black against the backdrop of a yellow moon.

Sketched by an unknown artist for the national hate network, the lynch scene was the center theme of a poster distributed recently throughout the South.

"DEATH to the Traitors," the poster screamed. "Communism and Race-Mixing Are JEWISH."

The posters were distributed outside a country church in Alabama, outside a public school in Georgia and at a convention of the National States Rights party, the group blamed for the recent dynamiting of an Atlanta synagogue. A small line at the bottom of the poster noted that extra copies could be obtained from the Christian Patriots Crusade, P.O. Box 147, Hinsdale, Ill.

Cog in Machine

Both the CPC and the Illinois unit of the NSRP are headed by a hate monger named F. Allen Mann. But he is only a tiny cog in the coast-to-coast propaganda machine oiled by wealthy crackpots and operated by the hate syndicate's professional bigots.

Here is another typical example:

DEATH!

It's time for old-fashioned
American Justice

Communism
and
Race-Mixing
are JEWISH

Extra copies: Christian Patriots Crusade, P.O. Box 147, Hinsdale, Ill.

This poster was distributed throughout the South recently by the Christian Patriots Crusade.

NY WORLD TELEGRAM

ISSUE OF 10/29/58

p1 second section

"Now that the matchless German army is destroyed, Germany laid in ruins and Europe helpless, Eisenhower asks the German people to help him prepare for another war purporting to be a war against communism, while he protects and coddles in Washington the same people who prevented Germany from wiping out communism. This is to be a war against the Russian people — not communism."

These might well be the words of a Nazi underground in Germany, or even a Communist propaganda sheet. But it is neither — an excerpt from Common Sense, published at Union, N. J., and sent around the United States every two weeks via the U.S. mails.

Aided by Son.

Publisher is a notorious anti-Semite, Conde McGinley, who has been practicing his poison penmanship for a dozen years in a 14-room stone building at 530 Chestnut St., Union. This is his home, editorial office, print shop and inner sanctum for secret powwows with other hate merchants. McGinley is assisted by his son, Conde Jr., by a handful of trusty volunteers and by the considerable bankrolls of sponsors like Benjamin Harrison Freedman of New York City, a retired toilet goods manufacturer who calls himself "an excommunicated Jew."

More than once, McGinley has made editorial reference to another businessman "angel." This shadowy figure has remained in the background of the hate movement but is reported to be a millionaire industrialist with New York offices and an estate in Connecticut.

McGinley first started churning out hate sheets in 1946, publishing weekly journals called Think, The Think and Think Weekly. Common Sense made its appearance in 1947, claimed a circulation of 7072 by 1948 and boasted more than 15,000 readers by 1954.

Circulation Jumps.

In the past year, however, the circulation suddenly skyrocketed. Investigators report some issues this year have reached an estimated 500,000 copies. Behind this spectacular upsurge is a new wave of anti-Semitism, cleverly organized, well financed and spearheaded by neo-fascist groups like the National States Rights party.

Like other professional hate peddlers, McGinley has his own organization — the Christian Educational Assn. One of his leading stockholders is Adm. John C. Crommelin (Ret.), who ordered several thousand copies of Common Sense during his recent un-

successful bid for governorship of Alabama.

A recent issue of Common Sense outdid itself with front-page blasts at former Sen. Herbert Lehman, Sen. Jacob Javits, Congressmen Emanuel Celler and Adam Clayton Powell, Supreme Court Justice Felix Frankfurter and Chief Justice Earl Warren, Dr. Ralph Bunche, deputy secretary-general of the United Nations, and Manhattan Borough President Hulan Jack, among others.

Broad Target.

Common Sense has attacked a long list of outstanding Americans including President Eisenhower, former Presidents Harry Truman and Franklin D. Roosevelt, Bernard Baruch and Mrs. Eleanor Roosevelt. Recently detectives investigating the Atlanta bombing seized stacks of Common Sense during raids on suspects' homes.

They also confiscated other hate sheets such as the Thunderbolt, official organ of the NSRP; the Virginian and the White Sentinel. Subscriptions to these three publications were included in membership dues of all NSRP members.

William Stephenson, editor of the anti-Negro, anti-Jewish Virginian, recently extended his activities to England, where his name appears as associate editor of Northern World, which preaches the doctrine of "Nordic Aryan" supremacy. Also on the Virginian staff is Lt. Gen. Pedro A. del Valle, USMC, (Ret.), who ranks with Adm. Crommelin and Maj. Gen. George Van Horn Moseley (Ret.) among the brass hats of isolation, segregation and anti-Semitism.

40 in Existence.

About 40 regularly published hate sheets now circulate in the United States, according to the Anti-Defamation League of B'nai B'rith. Many of these are run by racketeers, interested only in the money to be made from crackpots and fanatics.

Others are dedicated racists and anti-Semites like McGinley, who claims he doesn't make a dime from his enterprise. This self-styled "penniless patriot" was described by the House Un-American Activities Committee as "a clearing house for hate propagandists throughout the country," including "many of the native fascists and hate racketeers."

Besides Common Sense, the

nation's leading hate periodicals include the White Sentinel, published in St. Louis; the Virginian, published in Newport News; the American Nationalist, Inglewood, Calif.; Georgia Tribune, Columbus, Ga.; and Don Bell Report and Closer Up, Edited by Don Bell of Palm Beach, Fla. These have replaced Gerald L. K. Smith's the Cross and the Flag as the bibles of bigotry.

Re Newspaper article appearing in "Elizabeth Daily Journal," Elizabeth, N.J., 10/22/58 reporting that anti-defamation heads had conferred with Union County Prosecutor regarding "Common Sense" and its "publisher" CONDE MC GINLEY.

In this article the prosecutor had advised the newspaper reporter that the FBI was being informed on the progress of the probe because the distribution of the paper apparently was an inter-state matter.

The prosecutor is reported to have stated that he had obtained back issues of the newspaper from Mr. MC GINLEY who voluntarily supplied approximately 25 copies. The prosecutor also stated that MC GINLEY claims that he mailed a copy of each issue to the FBI.

"Common Sense" is received by the Newark Office in an envelope marked "CHRISTIAN EDUCATIONAL ASSOCIATION, Union, New Jersey" bearing what appears to be an addressograph plate worded as follows: "Federal Bureau of Investigation, 1180 Raymond Boulevard, Newark, N.J. (2)"

In a report of SA WILLIAM G. BEDELL dated at Newark, 11/2/56, there appears in the opening paragraph of the details on page two information regarding the receipt of the publication by the Newark Office in the following manner: -- "Copies of this publication have been received at the Newark Office in envelopes bearing the return address Christian Educational Association, Union, N.J."

Both of the above documents are sharply anti-Semitic.

"Informant Coverage in Organizations Which May Be Engaged in
Violent Activities Involving Minority Groups."

In connection with carrying out the Bureau's instructions
in referenced air-tel to develop informant coverage on racial
extremist groups and individuals, this office is interested in
determining the status of "Common Sense" distribution in this
territory. On various occasions in the past, citizens have
complained to this office regarding the receipt of Common Sense
and stated they never knew how their names came to be placed
on the mailing list of this paper. It has appeared at times
that along with a regular subscription list, that it is possible
that the publishers receive names from supporters in this area
to be used in sending out free copies. This office has never
known the identity of any supporters of the publication in this
area.

It is requested that the Newark Office, if possible,
advise whether or not any arrangements have been made with
postal authorities to determine the identity of subscribers
in various areas. It would also appear possible that there are
probably supporters throughout the country who receive multiple
copies for redistribution in their particular area.

Reference is also made to New York letter of August 13,
1958 to the Bureau regarding this publication which listed
various individuals in this territory who have been requested
to contribute to the support of Common Sense in order to aid in
its fight on integration. The individuals listed in this com-

DETAILS:

The Christian Educational Association of Union, New Jersey (CEA) publishes "Common Sense", a bi-monthly tabloid-size newspaper, CONDE MC GINLEY, Editor. CEA also publishes other literature.

CONDE MC GINLEY, EDITOR
"COMMON SENSE"

Interview

On October 24, 1958, CONDE MC GINLEY was interviewed at the CEA office, 530 Chestnut Street, Union, New Jersey, by SAS ANDREW R. BABYAK and BILL WILLIAMS regarding an extortion letter which he had received through the mail. In addition to information about the letter, he volunteered the following information:

MC GINLEY stated that it has been said that the CEA is a hate group, but the truth of the matter is that they do not hate anyone. The CEA is only trying to awaken the people of the United States to the threat of Communism and Zionism. He continued by saying the CEA has no quarrel with the Jewish people but are trying to expose the Zionist leaders who are attempting to control every facet of life in the United States.

With regard to the recent bombings of synagogues, MC GINLEY advised that he believes the Jewish leaders themselves are doing the bombing in order to get public sympathy and to achieve their own ends.

He stated that he attends a Roman Catholic Church regularly and he and his staff have prayers every morning, praying that God will keep them from printing untruths. He remarked that the way to stop his publication is to convince him that he is not doing the right thing in God's eyes.

NK 105-1910

There are 700 people who receive bundles of "Common Sense", according to MC GINLEY.

The finances of CEA are derived from subscriptions and from contributions of people who are interested in the CEA.

MC GINLEY also stated there are now eight Generals and five Admirals "on our side". He did not elaborate further.

He stated that CEA has had its own printing press for four years now, which press is maintained in the CEA building.

Prior to World War II, MC GINLEY operated a chain of restaurants in the shore area of New Jersey.

MC GINLEY showed the interviewing agents a shotgun and revolver which were hanging over his desk. He advised that the guns were loaded and that he maintains them because of the many threats to his life which he has received.

MC GINLEY conducted the interviewing agents on a short tour of the CEA building. The above interview was conducted in MC GINLEY's office which is located on the second (top) floor of the building. There was a small steel cot in his office and in the adjoining room is the office of [redacted] who was present during the above mentioned interview. There are also two or three bedrooms on the second floor. The first floor comprises a mailing room and work rooms used for the composing and editing of the paper. There is also a kitchen on the first floor rear. Four or five middle-aged women and a young girl were working on the first floor. The printing press is located in the basement but has no first floor space over it. MC GINLEY advised there was a large meeting room in the basement. A large dog roamed about the building and MC GINLEY advised he was getting an additional dog. Dozens of mailing bags were on the front porch, which bags MC GINLEY said were filled with "Common Sense" for mailing.

MC GINLEY praised the work of the Federal Bureau of Investigation and said he considered it one of the last bulwarks of the nation.

LR 100-3314

This call was made from a pay station and they generally discussed the literature [] had received and the caller said he wanted to come to Little Rock and meet []

On Sunday, October 26, 1958, [] said he received a local telephone call from [] and was asked to meet him at a service station near his [] home. They met and drove to a Little Rock drive-in restaurant. After the meeting they drove back to the same service station and [] observed [] walking away from the station. He felt sure [] had a car parked in the vicinity of the service station and was positive [] was not his true name.

[] said they discussed the literature he had received and he told [] he was in agreement with it. [] then told him of a secret organization that would eventually take over the control of the United States Government. He said the organization was moving slowly and taking its time. He gave no indication of the size, who its members were, or where their headquarters were located. [] told [] he was to be the leader of the group in Arkansas as he was the first individual to be contacted in this state. He said [] would have to recruit his own members and that each operation was financed by the local agent. [] also told [] that after the revolution he [] could have the state office of his choosing and that he would share in the wealth of the repatriated people, the repatriated people being the Jews and Negroes.

[] asked the name of the organization and [] replied that he [] could suggest one. [] said "The Patriots" seemed like a proper name for the organization, to which [] said, "That's as good a name as any". [] also related that The King or The Leader has been chosen and his line of successors has been established. This line of successors will be selected by The Leader, who will choose approximately twenty outstanding young students after the revolution and adopt them. They will be highly educated under the guidance of The Leader and the most promising of this group will be his successor.

In addition, [] gave [] a mimeographed, detailed set of instructions on how he was to obtain members.

LR 100-3314

These instructions also contained information concerning the organizational setup of the group, security measures to be observed, penalties for law violations, etc. [] also said he was not The Leader or a high ranking official but had merely agreed to do a little traveling for the group. He also asked [] to try to determine for him the whereabouts of one [] told [] that his code name was [] and said he would be given a box number to send messages through, which box would only be a relay.

[] described [] as follows:

Race
Sex
Age
Height
Weight
Hair
Build
Eyes
Complexion
Dress
Character-
istics

Had soft hands which led [] to believe that he was some type of office worker

[] volunteered that on November 22, 1958, he received a letter postmarked 7:30 P.M., November 21, 1958, Memphis, Tennessee. The letter itself was dated November 19, 1958, was signed [] and revealed that "Our cousin is [] He would appreciate hearing from you".

[] said that on November 24, 1958, he received a letter postmarked November 22, 1958, at 11:00 A.M., from Memphis, Tennessee. This letter was dated November 19, 1958, and signed [] This letter thanked [] for the courtesy he had extended to [] and advised [] that under another cover they were sending him ten copies each of "Our Course of Enlightenment, and in another letter the address of our cousin." It also cautioned him that the only way to guard confidential information was to share it with no one -- after it is shared you have lost control of it.

LR 100-3314

Enclosed with this letter were two pages of mimeographed material captioned "Our Program" and also five pages of mimeographed material captioned "Behind the Iron Curtain by The Patriot".

[] was of the opinion he should have received the second letter prior to receipt of [] address.

[] advised that on November 25, 1958, he received a box containing considerable literature written by The Patriot which he was to use in soliciting members. It is the prescribed literature for "Our Course of Enlightenment". This box was postmarked in Memphis, Tennessee, and had a return address of 1565 Peabody Avenue, Memphis, Tennessee. Photographs of this literature were made and are being sent to the FBI Laboratory for processing.

[] was of the opinion that [] and [] signers of the above letters, is an individual other than []. He further related that he, [] has been instructed to sign the first letter he sends to his cousin as [] the second letter as [] the third letter as [] etc.

[] volunteered to the interviewing agents that he is not anti-Negro or anti-Semitic but that he is a strong advocate of states rights and is opposed to any efforts to destroy the Constitution of the United States. He said it was for this reason that he contacted the FBI and volunteered his services to this Bureau in the event they were desired in order to obtain more information on this group. He said he planned to write [] in order to gain more information. [] further related he is not desirous of becoming too involved with this group as he is fearful of them, but would do so if it would aid in preventing efforts to overthrow this government and would aid this Bureau by obtaining information concerning this group.

During the course of the interview [] volunteered the information that he was happy there had been no bombings in Little Rock and that such actions would only hinder the activities of the people seeking states rights by legal means.

LR 100-3314

For the information of the Bureau, in conformance with the proposed investigation coverage of captioned organization, spot check surveillances of CEA, 530 Chestnut Street, Union, N. J., have been instituted. The purpose is to ascertain the identity of associates and visitors. They have been productive.

For the added information of the Bureau, it is evident that MC GINLEY and his associates are very alert to surveillances. This may be due to the investigation which was instituted by the local Union County Prosecutor's Office. On 10/28/58, two Special Agents in a Bureau car drove past CEA while making a spot check. While driving past the building, two men called out, "Be sure to get the right numbers." The agents did not stop the Bureau car and completely ignored the remark. They immediately notified the office in order to alert other agents to the situation.

On 10/29/58, Inspector [] Department of Motor Vehicles, Trenton, N. J., advised by phone that a check of registration had been requested for a car registered to this office. The check was requested by Monmouth County (N.J.) Police Radio (MCPR) Freehold, N. J. The car was the one used on 10/28/58 as mentioned above.

b6
b7C

Inspector [] advised MCPR that the registration they requested was not on file.

[] advised SA [] confidentially on 10/29/58, that WILLIAM MC GINLEY (son of CONDE MC GINLEY, editor of "Common Sense," published by CEA) is a Special Officer for Wall Township, Monmouth County, and has a one-way police receiver in his car tuned for MCPR. On 10/31/58 WILLIAM MC GINLEY (son of CONDE MC GINLEY, Editor of "Common Sense," a hate sheet published by CEA) brought an extortion letter to the office.

During the conversation he said several cars had been seen around CEA and he had taken the license numbers as it appeared as if some people were watching CEA. He exhibited a list of numbers and remarked that one of the cars (E/V 4179) apparently belonged to the Union County Prosecutors Office as both he and a friend BERNARD MC CABE, Newark PD, had tried unsuccessfully to obtain the name of the owner.

It will be noted E/V 4179 is a Bureau car and the Bureau has already been notified regarding the circumstances under which the car license number was obtained.

It is recommended the plates for this car (#116) be changed immediately.

It is also suggested discretion be used in any contacts with [redacted] Newark PD.

I had subscribed to PELLELY's paper, which was first called 'Liberation,' in 1933 or 1934 and continued my subscription to the time the publication was discontinued. I joined the Silver Shirt Legion in 1935 or 1936. There were not over ten persons in the Reading unit of the Silver Shirts which was headed by a Regional Director whom I recall as being a machine shop employee from Pottstown, Pa.

"The initiation fee for the Silver Shirts was \$10 or \$15 and no dues were paid thereafter although the members bought PELLELY's publications and also booklets in the form of scripts which were written by PELLELY and issued monthly or semi-monthly.

"In the beginning the Silver Shirt movement appeared to be purely religious with no political element present. Around 1937 - 38 the scripts began to deal with the manner in which the Jews controlled international finance and became anti-Semitic. During the meetings the Regional Director would first read a script written by PELLELY and after this discussion of the script was had among the members. No large meetings of the Silver Shirts were held in Reading. In 1935 or 1936 PELLELY's headquarters at Asheville, N. C., advised us of a meeting of the anti-Communist group in the Broadwood Hotel in Philadelphia.

"Meetings of the Silver Shirts in Reading continued for around a year and a half and then ceased. I do not know

CITIZENS COUNCIL

OO - WFO

Bufile - 100-423395

WFO File - 100-33226

PH File - 105-2702

The files of the Philadelphia Office reflect that [redacted] a prolific letter writer and distributor of various types of anti-Semitic and anti-Negro literature, has been connected with the White Citizens Council (WCC). There is no information indicating the existence of a formal WCC organization in Philadelphia. In this connection, however, the "Philadelphia Tribune," a Negro newspaper, in its issue of 10/21/58, Page 1, Column 2, contained an article captioned, "Race Hate Fanatics Make Jews, Negroes Targets of Attacks." This article states that a "fanatical white segregation group has been organized in the heart of West Philadelphia with the aim of terrorizing and persecuting the Negro and Jewish citizens of this city." The article continues that the "Philadelphia Tribune" has learned through "extremely reliable sources" that an officer of the White Citizens Councils of the South has opened a branch headquarters in the vicinity of 44th and Locust Streets, an interracial community. From an apartment in this area, not further identified, the local "president" of the group reportedly has mailed out thousands of pamphlets and letters to white residents in which Negroes and Jews are defamed.

b6
b7c

The pamphlets urge that the reader join in the "race-hate organization" which has as its first mission the destruction of the National Association for the Advancement of Colored People (NAACP) in Philadelphia, and, secondly, the passage of legislation which would bring about segregation in local restaurants, theaters, hotels, public housing, and churches. The article states that while the group has little hope of achieving its two major objectives, it has, "nevertheless, managed to recruit several hundred members into the race baiting cult."

PH 105-4088

While the article failed to identify the local organizer or give the exact address of the WCC, it described the local organizer as a "diminutive, cringing, furtive man who moved into the West Philadelphia apartment about three years ago. Last year he reportedly ordered and received 100 White Citizens Council membership cards from Texas. He has, on occasion, also received large batches of membership cards from Alabama, Mississippi, and Georgia. This individual also reportedly receives copies of White Citizens Council periodicals from Jackson, Miss., which are described as "the most inflammatory of all which are permitted to go through the mails."

The article states further that several weeks ago, the local organizer placed a shingle outside his apartment house door proclaiming himself as the local representative for the National Association for the Advancement and Improvement of White People. Criticism by white and Negro residents of the neighborhood was so intense that he removed the shingle after allowing it to remain outside his apartment door for only one day.

In connection with the above, the Philadelphia Office, on October 23, 1958, through SA EDWARD A. SMITH contacted U. S. Post Office Inspector in Charge [redacted] on the above. He stated his office has received no information or complaints regarding literature being mailed which emanated from the area of 44th and Locust Streets. He stated he will advise this office immediately of any information whatsoever concerning this matter, particularly any data which identifies or will help to identify the local "president."

It is noted that the Philadelphia file concerning MAC FARLAND reflects that he is Executive Chairman of the American Flag Committee. The Philadelphia files contain no record of activity on his part or on the part of the American Flag Committee since referenced report of SA MARION B. HUMMEL.

It urged persons wishing to aid in bringing him to justice to contact their Congressmen to urge his impeachment for treason. It contained the notice that extra copies could be had at 20 for \$1.00 or 100 for \$3.00 from the American Nationalist, Box 301, Inglewood, California.

RACIAL MATTERS

Rebuairtel to Albany 10/16/58 entitled: "Bombings
and Attempted Bombings in Southern Communities, RACIAL MATTERS."

CONDE MC GINLEY, editor, "Common Sense" was interviewed
on 10/24/58 regarding an extortion letter which he received in
the mail. At that time he spoke highly of the FBI and praised
the work the Bureau was doing. He said that he would gladly
give the Bureau anything it might desire and he would only
need a request to do so.

MC GINLEY stated that the CEA did not hate anyone
but was only trying to wake up the people in the U.S. to the
threat of Communism and Zionism. He stated that the CEA has
no quarrel with the Jewish people but with their leaders who
are trying to control every facet of life in the U.S.

He advised that he believes the bombing of synagogues
is being done by Jewish leaders in order to achieve their
own results and to have the sympathy of the public.

MC GINLEY stated that he attends a Roman Catholic
Church regularly and that he and his staff have prayers every
morning, praying that God will keep them from printing untruths.

He remarked that the way to stop his publication is to convince him that he is not doing the right thing in God's eyes.

The Newark Office receives on a regular basis via the mails a copy of "Common Sense" voluntarily furnished by CEA. This copy is sent for information purposes, according to MC GINLEY when interviewed on 10/24/58. The fact that the Newark Office receives such a copy has been previously reported to the Bureau.

Union County (N.J.) Prosecutor [redacted] is presently investigating "Common Sense." An article appearing in the Elizabeth Daily Journal on 10/22/58 reported that representatives of the Anti-Defamation League of B'nai B'rith had met with [redacted] to assist him in his investigation. In the article, [redacted] said MC GINLEY claimed he mails a copy of each issue to the FBI.

b6
b7c

In order that the leaders, members and activities of the CEA be determined with regard to bombings or other violence of a racial nature, the following investigative plan has been instituted:

1. Physical surveillance of CEA to determine its leaders, personnel, visitors, the activities and contacts of CONDE MC GINLEY, bank accounts, and people who finance CEA.
2. Investigation into the background of individuals identified by surveillance, to determine their connection with CEA.

PAGE THREE

NK 105-1910

3. Review of telephone toll checks for six months on MC GINLEY's unlisted phone (MU 8-6874) to determine CEA contacts.
4. Develop informants who can report the activities of CEA and its employees .
5. Determine individuals who receive bundles of "Common Sense" through the mails and otherwise.
6. Consider possibility of mail cover.
7. Liason with Union County Prosecutor.
8. Monitor known bank accounts of CEA.
9. Consider and submit to Bureau for approval other investigative techniques which would be helpful in this investigation.

Three Agents are being assigned to this investigation and they will be assisted by other Agents as the need arises.

530 Chestnut St.

[redacted] was contacted on 11/7/58 by SA [redacted] and SA Williams at his place of employment, [redacted] A previous credit and criminal check were negative. He advised that it would be alright if the agents frequ on occasion used his home to surveil the CEA so as to observe out of state cars, he said that he would like to talk it over with [redacted] first but he knew it would be alright with her and to phone her on 11/8/58 for arrangements.

On 11/8/58 SA Williams phoned [redacted] and introduced himself. She replied [redacted] says yes and I say no". After a pause she said "he is my neighbor and there should be some other way of doing it". Her tone was very caustic and after thanking her for her time the conversation was terminated.

Regarding using the residence of [redacted] for a Pisur, [redacted] advised [redacted] is old and ill.

Chief of Detectives [redacted] Union County Prosecutors Office had advised that a [redacted]

[redacted] has been receiving calls intended for Conde McGinley.

I interviewed [redacted] on 11/5/58. He advised that for a short time after Common Sense and Conde McGinley received so much publicity in the newspapers he received several phone calls from people trying to reach Conde McGinley since he [redacted] is the only [redacted] listed in the Union County phone book. He said there was a call from Atlanta and one from Memphis but the party only talked to the phone operator and the operator in turn to him and the mistake was found. He did not hear the name or address of the person calling. He has also received several nasty local calls from people who thought he was Conde. He now has an unlisted phone.

On 11/6/58 SA [redacted] and I interviewed Detective [redacted] Union PD. He advised that ^{some} ~~some~~ weeks ago ~~the~~ the PD received a complaint that copies of an anti-semitic leaflet was being distributed in one section of Union. He secured copies of the leaflet and he and the chief of detectives went to Conde McGinley to ascertain if the literature was distributed by his organization. McGinley was friendly and disclaimed any knowledge of the literature and allowed the detectives to search his building for any copies ~~of the literature~~. None were ~~found~~ found. The leaflet was printed poorly on cheap paper.

On 11/4/58 I contacted Chief of Detectives [redacted] who has been in Florida attending a meeting of IACP. He advised that his office had looked into the operations of McGinley and CEA and could find no grounds for prosecution. (from what he said, little investigation was conducted). He said the Anti Defamation League has contacted him about prosecution but they could offer nothing which would assist in prosecution. [redacted] insisted on introducing me to Prosecutor Stine. [redacted] said he would contact the FBI should anything of a Federal nature be disclosed in the case.

Re Newark letter 11/12/58.

On page four of reflet, there appeared the name
of A. N. GREEN, Cameron, Texas.

I have known ALBERT N. GREEN, of Cameron, Texas,
all my life. GREEN is about seventy-five to eighty years of
age. He was formerly President of the First National Bank of
Cameron, Texas, former Mayor, and former member of the Texas
Legislature (House of Representatives).

GREEN is inactive at the present time, and, of
course, is quite elderly. I have never seen any indications
that GREEN is subversive, and have never heard of his
"agitating" on anything but strictly local politics.

The indices of this office are negative on A. N.
GREEN and ALBERT N. GREEN.
